

Remarks

The Title has been added to meet the requirements of the United States Patent and Trademark Office.

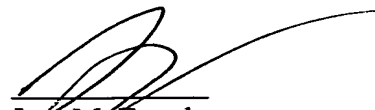

The specification has been amended to include a reference to the priority applications and sub-titles of main parts of the specification have been added.

Claims 1-11 are currently amended to remove multiple dependencies and reference indicia; and transitory language in order to meet the requirements of the United States Patent and Trademark Office. Feature "preferably of video data" is retrieved from claim 8 for clarification and inserted in a new claim 12. Feature "preparation method being preferably designed to be implemented by means of a device .." is deleted from claim 10 for clarification and inserted in a new claim 13. Claims 12 and 13 are newly added.

To meet the requirements of the United States, the Abstract (as originally filed in the published PCT application) is amended to remove reference indicia, in order to meet the requirements of the United States Patent and Trademark Office..

No fee is believed to have been incurred by virtue of this amendment. However if a fee is incurred on the basis of this amendment, please charge such fee against deposit account 07-0832
